

1 **Woodturning By Don**
306-290-9538 papadonskopyk@gmail.com

Don Skopyk is a retired shop teacher who creates table tops from found wood and resin. He gathers most of his wood while travelling through the winter months. The samples he brought used wood from Greece and Israel. Sizes of tables range from coffee table size to small round side tables. He also makes table legs in a variety of styles.

Located at: 118 Highway 340 (2nd St. West), Hafford

2 **Pagangel Productions**
306-290-7320 pagangel@littleloon.ca

Christine Watson has been capturing her view of the world on film since she was a child. She is a multi-medium artist centered around photography and the environment. Come and visit her in scenic Hafford, the urban center of the Redberry Lake Biosphere Region. Her four-legged ambassadors invite you to visit her small corner of the universe and have a look through her lenses.

*Located at: 104 – 2nd Avenue West, Hafford
look for the Rainbow door*

3 **Aldina Pictographs**

“...a pictorial sign or symbol...” Whether it is through the eye of the brush, the needle, or the camera, Carol and Harry see and capture the spirit of the world around them and convey their interpretation of that spirit to the seeing participant of their art. Aldina was and continues to be the spiritual centre of Muskeg Lake. It is fitting that these artists present their symbolism from this place of centrality.

*Located at: Our Lady of Guadalupe Church, Muskeg Lake;
10km west of Marcelin on Grid 783;
turn north toward Muskeg Lake Cree Nation for 8km;
then turn west (Church to your left)*

3a **Carol Lafond**
(306) 222-1954 clafond@sasktel.net

Carol was given a camera on two occasions; one for Christmas when she was fourteen and the other when she turned 49! Using these gifts, she has been taking pictures, whether it is for family, friends or of the landscape for a great many years! She now uses a digital camera! Her favorite subject is capturing the beauty in nature; it is often inspirational and spiritual for her. Raised with the Nehiyaw language but not speaking it, she can recall the words or phrases my community would use. Carol see these words, on occasion, in the sunrise, the land, the sky and is all the richer by sharing these scenes.

3b **Harry Lafond**
306-226-4754 hlaond@sasktel.net

Using a simple SLR Canon, he finds the details of the world around him and interprets their place among us with minor computer enhancements. For some subjects, he incorporates beadwork to bring out the Indigenous spirit of the subject. When not wandering in the bushes, Harry is in some POW WOW arbor capturing the colorful regalia and motion of the dancers. He rounds out his photo journey by chronicling the events of the communities.

4 **Carvings by Ken**
306-466-2300 (No Email)

Ken Nelson has been carving wood about 40+ years. He's used a variety of different of woods, but likes using local wood such as birch & poplar however will try any other type. He prefers carving wildlife and western lifestyle themes and has been commissioned to create gifts for special occasions. One special commission was a wedding cake top. Some of his carvings are spread across Canada, also some in Europe and one in Australia. Over the years, Ken has been an active member of Prairie Sculptors of Saskatchewan and the Kyla Art Group of Prince Albert. He decided to join 12-40 to work with other local artists.

*Located at: 19km east of Marcelin on Township Rd 783
21.5 kms East of Hwy 40 on Township Rd 454*

5 **Ev McDonald Artworks**
306-497-7257 evmcdonald@sasktel.net

Would like to express our thanks and appreciation for you making your way around to the Venues this year. We truly enjoy sharing our creations with you.

7b **Anderson Stained Glass**
306-852-9139 andersondeb393@gmail.com

Deb Anderson has been doing stained glass for about 40 years as a hobby. She has stained glass pieces across Canada. “I buy sheets of colored glass and do the designing, cutting, fitting, assembling, and finishing. I work mostly on commissioned pieces, making anything from sun catchers to church windows. I love the colors, the textures, the jewels. It's awesome to create beautiful things people enjoy.”

*Located at: The Butler Building at 101 Railway Ave.
East end of Main Street, Leask.*

8 **Prairie Leather and Art**
306-226-4217 connieleask@hotmail.com

Connie Leask is located in a 1917 Eaton's catalogue home, her leather creations include her signature Canadian moose hide slippers with burned on wheat designs; water buffalo leather house shoes; brown Bison moccasins. Variety of children's moccasins; mitts made from various leathers & soft shell fabric. You will also find cross-body bags, toiletry bags, totes and cases. Leather cuffs, bracelets and even a few surprises.

*Located at: 3.2km south of Marcelin on Hwy 40
3.6km west on grid #454, enter at Texas gate*

9 **Pop's Old Forge**
H: 306 226-4715 C: 306-381-9667

Hubert & Alice Smith design and make tools in their well equipped blacksmith shop. He makes chisels, punches, fire pokers, barbecue utensils, shoe horns, safety wiener forks, letter openers and door knockers. He also enjoys making ornamental objects such as railings, plant hangers and dinner gongs. Non-serviced camping and picnic area is available.

Located at: 5km east of Marcelin on Township Rd 783

10 **John Chin**
306 291-2717 Jchin1957@gmail.com

John is a visual artist who enjoys the vastness and beauty of the prairies. Some of the evening skies here are amazingly spectacular and he often captures them on his canvases, as well as our lakes, trees, night skies and occasionally the northern lights. Besides painting on canvases and paper he also does silk scarf painting, depicting his favorite flowers and landscapes.

*Located at: 14.5km east of hwy 40
Township Rd 454/Wingard Ferry Rd*

grid #454 Wingard Ferry Rd.*

12 **Stainless Steel Plaques**
306-466-2094 (No Email)

Glen Bloom started making stainless steel grave markers for family members whose markers needed replacement. He has since begun taking custom orders for others. He gets great enjoyment from the families' happiness at being able to permanently mark the grave of a loved one. He can also create decorative and commemorative Plaques for buildings or monuments.

*Located at: The Butler Building at 101 Railway Ave.
East end of Main Street, Leask.*

13 **Carmen & Diane Larsen Crafts**
306-371-9358 bearcub1benji@gmail.com

Both Carmen and Diane have been crafting items as hobbies for nearly 40 years. Carmen uses reclaimed wood to make signs, baskets and other items; he also works with live edge wood. Diane designs and crochets her creations as Afghans, dish cloths, scarves along with Christmas and Pine Cone Wreaths. Diane also enjoys working with diamond art.

Located At: 51 Main St., Leask

To Shellbrook & Prince Albert

The 12-40 and Beyond is very proud to be celebrating our 22nd year of sharing our passion for the arts with our guests!

This exciting self-guided Saskatchewan adventure takes you from Leask to Hafford and begins at a site of your choice. All venues are within a thirty minute drive from Blaine Lake. Red elevators direct guests to the many sites where artisans welcome your visit. Buy or bring a lunch and take advantage of the picnic sites available at most venues.

Country roads lead you through diverse landscapes with breathtaking scenery. Visit artists and artisans showcasing unique artwork and handcrafted items to view or purchase. See demonstrations at a working forge, artisans crafting or take a tour of the Legacy Gallery in Leask.

Can't make the journey that weekend? Just call the Venue(s) of your choice and arrange an alternate day, we would be happy to hear from you.

Come and experience some country hospitality!

Visit our Website for a virtual tour – mobile friendly – Google map.
